DESCRIPTION/OPTIONS: The Boss Lady's new ride.... 2018 Audi SQ5 Prestige AWD w/75k miles. Prestige says it all. It has heads-up display, multiple drive settings, heated seats, heated steering wheel, panoramic sunroof, Bang & Olufsen audio, navigation and diamond stitched leather seats. It also has that key ingredient in any Audi S model: more power. The old SQ5's supercharged 3.0-liter V-6 gives way to a new turbocharged 3.0-liter V-6 (meaning the T in Audi's V6T badge finally actually stands for turbo). The new six makes the same 354 horsepower as before, but torque rises by 23 lb-ft to 369 and peaks nearly 3000 rpm sooner in the rev range. As before, an eight-speed automatic is the only transmission choice, and all-wheel drive is standard. As we've come to expect from Audi, the SQ5's interior is impeccably assembled and materials look and feel of high quality. Audi's Virtual Cockpit instrument cluster is part of the optional \$2600 Navigation package on the base Premium Plus trim, but it's standard on the Prestige model; it's a worthy upgrade, presenting a ton of information directly in the driver's line of sight in a clear, attractive, and highly configurable manner. Carbon-fiber trim and faux-suede bits are scattered throughout, as is the custom in any sort of high-performance vehicle these days. Send a message or call to set-up a test drive. Auto City of Maine's vehicles come with a new inspection sticker, 30 day/1000 mile Maine State Inspection warranty and 14-day plate. We can help with financing and extended warranties as well. Our #1 priority is customer satisfaction. Come check out the Auto City difference.
