Convenience: Sunroof, navigation system, back-up camera & Remote starter. : 4 New tires These features offer great functionality and comfort for both everyday driving and heavy-duty use. The 2017 Ram 2500 Limited Edition is known for its powerful performance and impressive towing capability. With its 6.7-liter diesel engine, it provides ample horsepower and torque to handle tough tasks. The 4-wheel drive system enhances its off-road capabilities, making it suitable for various terrains and weather conditions. One of the notable features of this Ram 2500 is its leather interior, providing both a luxurious feel and durability. The Limited Edition also comes with running boards, which make it easier to access the cabin and bed of the truck. The sunroof adds an extra touch of luxury, allowing you to enjoy the fresh air and sunlight on your journeys. The navigation system helps you navigate unfamiliar roads and find your way with ease. The back-up camera assists in parking and maneuvering in tight spaces, enhancing safety and convenience. To protect the bed of the truck, a spray-in bedliner has been applied, preventing damage from being caused by cargo loading and unloading. Additionally, the remote starter allows you to start the truck from a distance, saving you time and providing comfort in extreme weather conditions. Overall, the 2017 Ram 2500 Limited Edition offers a combination of power, luxury, and convenience, making it a great choice for those seeking a capable and well-equipped truck for both work and leisure activities.
