DESCRIPTION/OPTIONS: Want the power of a Hemi but the fuel mileage of a Prius? Well maybe not a Prius but you get the point. This 2014 Grand Cherokee Overland has the 240 hp/420 lb-ft 3.0 Eco Diesel V-6. With an EPA rating of 21 city and 28 highway, you can have your cake and eat it too. None of the noise associated with a diesel gives you a chance to enjoy the many interior features. HD radio with amplifier and subwoofer makes enjoying your tunes all the more enjoyable. Heated seats (front and rear) along with a heated steering wheel and remote start make winter bearable. Range Rover features with Jeep dependability makes it a no brainer.
